2010 NCM 16th Anniversary Celebration and Hall of Fame Induction September 2-4, 2010

Labor Day weekend marks the Museum's annual anniversary event as well as Hall of Fame inductions and recognition of long term Museum members. For 2010 we welcome participants to the 16th Anniversary celebration and the induction of 3 new members to the Corvette Hall of Fame.

This year's Labor Day Celebration offers a great opportunity to hang out with other 'Vette lovers and partake in some of the Museum's favorite event activities as well as new ones. Several Road Tours to popular attractions in Kentucky and Tennessee are on the books – including the Bourbon and Coke Tour, Bluegrass and BBQ Tour and General Jackson Showboat Tour, plus a new free road tour and photo op.

Adding to the list of fun activities like the Golf Cart Autocross, there is the new ZR1 Time Trial which features timed racing of an RC Corvette ZR1 on a mini-version of Lime Rock Park. Use the NCM's ZR1 or bring your own RC Corvette (1/12 scale). Autocross, poker runs and live auction add to the fun.

Seminars dot the agenda including a new Ladies' Garage Party seminar and ones featuring Hall of Fame inductees and their sponsors. The Hall of Fame induction ceremony on Friday evening is the marquee activity of this event so you want to be sure to register for that banquet being held in the NCM Conference Center for the first time. Our 10, 15 and 20 year members will be recognized, Ambassadors will be treated to a breakfast, our open membership meeting will be held and our Lifetime Members will enjoy a special VIP reception on Thursday evening, advance registration required.

Don't miss our Silent and Live Auctions for a chance to pick-up some great items, many one-of-a-kind, and on Friday and Saturday women should be sure to stop into our Ladies' Oasis located on-site. We hope to see you Labor Day Weekend!
